# BARON EDMOND DE ROTHSCHILD WINE HERITAGE

*Rather than investing in proven terroirs and simply harvesting their fruit, the Compagnie Vinicole Baron Edmond de Rothschild has always preferred to purchase properties with potential and develop their value. For the Compagnie Vinicole Baron Edmond de Rothschild, giving land the opportunity to express its full potential means that each terroir has its own history. The company is careful to work with the natural cycles and local customs of each one. Customisation and attention to detail are major aspects of the Compagnie Vinicole Baron Edmond de Rothschild's approach to wine-making. They are prerequisites for producing exceptional wines.*

*The Company Vinicole Baron Edmond de Rothschild knows that there can be no success without daring and refuses to chase after trends. It selects unique properties and gives them the care and special attention they deserve, combined with the best oenological techniques.*

Each vineyard is a new challenge, a territory to be conquered. It has to be tamed and protected. Innovation brings forth the long-term potential of the wines of each of our properties. "Benjamin de Rothschild".

# THE PRISONER WINE COMPANY

*We find solace in what's different, and we don't stand on ceremony. We take an unconventional approach to winemaking by working with impassioned growers to source varietals from vineyards and appellations across California. Together, we create wine blends that challenge expectation.*

### WHITE WINE

**The Snitch Chardonnay, Napa Valley** 2017 144  
*A chardonnay source from the warm Oak Knoll and cool Carneros, blend with a touch of Roussanne*

**Blindfold Blend, California** 2017 186  
*Bold, full, aromatic; a daring blend of Chardonnay, Muscat, Roussanne and Viognier that source from the premier winery throughout California*

### RED WINE

**Saldo Zinfandel, California** 2017 129  
*"Here and there" that's what Saldo means in Latin; the grapes source from Dry Creek, Lodi and Amador where Zinfandel has thrived for decades. 85% Zinfandel and 15% of Petit Sirah and Syrah is the recipe.*

**The Prisoner Red Blend, Napa Valley (Available by the glass)** 2017 149  
*The Prisoner was inspired by the "mixed blacks" first made by the Italian immigrants who originally settled in Napa Valley; interestingly blends by incorporating Zinfandel with the unlikely mix of Cabernet Sauvignon, Petite Sirah, Syrah, and Charbono.*

**Cuttings Cabernet Sauvignon, Napa Valley** 2017 225  
*Inspired by the age-old method of using cuttings from idyllic sites for the propagation of new vines, this Cabernet Sauvignon showcases some of our favorite hillside vineyards. Cuttings combines the deep, intense flavor of Cabernet Sauvignon with the structure and richness of Petite Sirah and Syrah. A small amount of Zinfandel adds a nice layer of complexity and spiciness.*

**Derange Red Blend, Napa Valley** 2016 264  
*In the late spring of 2016, all 2015 TPWC lots were evaluated for character. The most concentrated and delicious lots of each variety were selected for the first vintage of Dérangé. After lot selection, all barrels destined for Dérangé were hand-selected by tasting each and every one. This red blend is full of black cherry, clove spice, blackberry cobbler, and vanilla toast. The mouthfeel is full on the entry and the soft tannins and balanced acidity are a delicious combo. Cabernet Sauvignon, Syrah, Zinfandel, Merlot, Petit Sirah from Heitz Taplin, Hudson, Rogers, Sage Canyon, York Creek is the recipe.*

## FRANCE - RHONE

### Paul Jaboulet Aine

*Jaboulet has one of the longest histories of any winery or negociant in the world. Originally founded in 1834 by Antoine Jaboulet in the Northern Rhone Valley, in Bordeaux, they own Chateau La Lagune. In the Rhone valley, they have holdings in Chateauneuf du Pape, Cornas, Crozes Hermitage and Cotes du Rhone.*

Cotes du Rhone Parallele 45 Rouge	1500 ml	2016	150
Crozes Hermitage "Domaine de Thalabert"		2016	147

### Hermitage "La Chapelle"

*La Chapelle is not a vineyard. It's a trade marked name. It takes its name from the small chapel of St. Christophe. The fruit is sourced from Bessards, Le Meal, Greffieux and Rocoules. The wines from the best years can age 30-40 years. One of the reasons for the continued improvement of Jaboulet La Chapelle is the draconian selection for the wine. Previously, up to 7,000 cases of wine were produced. But today, the average annual production is closer to 2,000 cases per vintage of Jaboulet La Chapelle.*

### Caiarossa

*The name of Caiarossa was coined as a homage to the soil, which is characterized by the presence of jasper, rock and pebbles intensely red in color. A creative name inspired by Gaia, mother of all the gods of Mount Olympus, goddess of fertility and of Nature, of the very Earth itself.*

*Our story began in 1998, taking as its guide the principles of organic agriculture for the cultivation of the vineyards and that of geo-dynamics and the oriental discipline of Feng Shui for the construction of the cellars.*

*But it was in the year 2004, when it was acquired by Eric Albada Jelgersma, that Caiarossa entered the world of quality wine thanks to the decades of experience which this family had acquired with two Grands Crus Classés in Margaux, Bordeaux, Château Giscours and Château du Tertre.*
